## Greeting Class of

As the sun sets on our time together, I can't believe that this school year is drawing to a close. What a great year it has been and I am pleased with the changes that we have made to our school.

The transformation would not be possible without your contributions to the work. You are a spirited group with great young leaders among you. At times, I am in awe of your insight and maturity. From our initial encounter, you've demonstrated the ability to organize, plan, and advocate for what is important to you. My wish is that you will use your talents to go out and seize all that the universe has in store, for this is only the beginning of endless possibilities. Life will not always be easy, but each day is a precious gift.

Love life, lead by example, and live the C.O.R.E.—Character, Community Leadership, College & Career Readiness, and Self-Awareness. I am proud to be your principal and you will be truly missed. Congratulations!

Principal Mincy

### **2016 A YEAR TO REMEMBER**

### **SEPTEMBER TO JUNE**

Every year we grow, change, and improve our school for the better. Whether it is in school activities like sports, music, clubs, and academics, or us personally, like our aspirations and goals, we are constantly building. Every year at this school is as different and unique as the people who teach and learn inside of it. So just as we change and rewrite our lives at BHS, our yearbook must do the same. It is time to remember, redo, reminisce, rebuild, recap, recall, and rewrite our time here at BHS.

### To My Dearest Graduating Class,

Barringer High School Academy of S.T.E.A.M. Class of 2016 Senior Advisor Ms. Lilia Arfinengo

Beware! The following is fairytale!
Once upon a time, I was a valiant knight searching for a noble mission while you were innocents in need of rescuing. Or so I thought...

Long ago, you were freshman students while I was a freshman teacher in our school. As you walked into my classroom full of expectations and uncertainties, you also walked into my life and transformed me forever into the teacher that I am today.

I remember when I was first invited to teach at Barringer Academy of STEAM, how certain I was of how much I would directly improve all

of your lives. I remember my arrogance, believing I knew all and the certainty that my way was the best, if not only way. I remember the conviction of my beliefs, if you would follow my lead all would be well. I was the knight ready to rescue you.

Then, I met you and in each one of you I saw the eagerness to learn, the persistence to win, the tenacity to exist, and you challenged me to be capable of guiding you. That challenge would forever change me as a teacher and person. You asked for guidance, and all my preconceived ideas of how to best educate you evaporated in a second. You were not in need of being rescued but in need of a partner who would guide you, walk with you, and learn with you. You humbled me and in that process made me a better teacher, mother, and person.

So, as our journey comes to an end, all I can say is thank you for rescuing me from my naïve and ingenuous mission of believing I was a knight, thank you for being part of my life and most of all, thank you for allowing me to be part of yours. I know how much you have accomplished and I am expecting great things from all of you.

You will always hold a special place in my heart and mind because we had the opportunity to learn and grow together.

Love you so much, Ms. Arfienego.

My favorite high school memory was when Barringer was one whole school and everybody was together.

-Naji Gregory

My favorite memory in high school was when I dressed as our high school mascot.

-Rahshid Jones

My favorite memory was when I won the poetry slam and was recognized for something I am good at.

-Ivan Collado

My favorite memory in high school is back in my sophomore and junior year when I used to go to Mr. Rubiano's gaming club with Oscar, Jose, Luis, Aaron and Ivan. We enjoyed our time there and getting to know the people I now call brothers.

-Dominick Smith

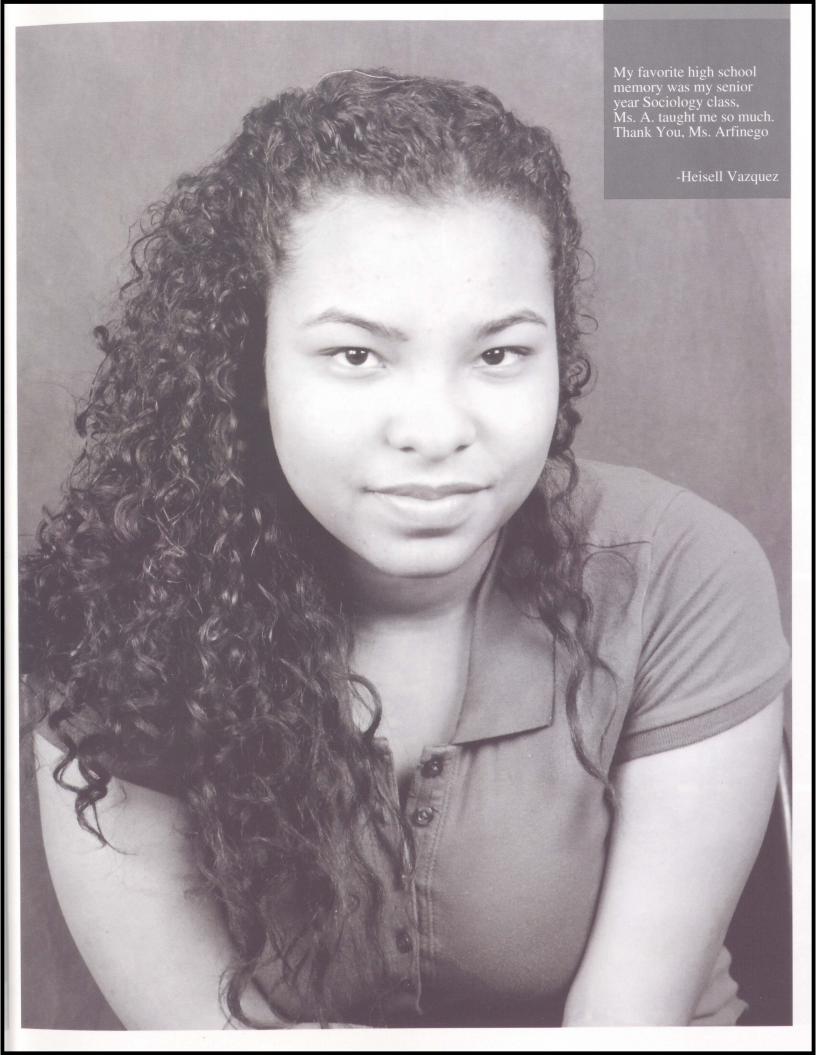

My favorite memory in high school is when I interned at Dun and Bradstreet in Short Hills New Jersey during the summer of 2015. It was such an eye opening and amazing experience. I learned a lot from corporate America. I continue to grow and develop. I expanded my social capital. My boss impacted me both professionally and personally.

-Grace Appiah

My favorite high school memory was when I won a trip to England for spring break during my junior year. The requirements to go on this trip was to write an essay; the best essay won. England sparked a desire to travel and work harder to one day visit foreign lands.

Grace Badua Appiah Class of 2016 Valedictorian

PHOTO DEVINEADITEON

I was a young girl that traveled from Ghana to the United States and who did not know what her purpose was or what her potentials were. My journey to the United States was one of the most challenging moments of my life. When I came to the United States, I was introduced to a different culture and environment. It was very difficult to adapt to these new changes, but with time, I overcame these challenges. Being a part of Barringer gave me a sense of community and family. I remember my first day at Barringer, Luis Rodriguez and his friend Jeremiah were the first people to talk to me. They welcomed me with open arms and warm hearts which made me feel less homesick. My experiences at Barringer S.T.E.A.M. have opened my eyes and made me see the world from different angles. This graduating class has helped me discover the "real" Grace. You opened my eyes to many opportunities, possibilities, and taught me how to have faith in myself. I was challenged by your unwavering effort in pushing the limits I placed on myself. This class has given me the privilege to meet some great people, who I now consider my best friends. You have made my high school experience the best four years of my life.

I am so proud of each and everyone. As a class, we have been through good and bad, but we still stood firm right next to each other. We as a whole have refuted stereotypes, set the standard high for future blue bears, and left a mark that will always be recognized and respected. All I can say is that you have all contributed in the making of who I am today. On behalf of the class of 2016, I want to also thank the parents, teachers, administrators and adults who have helped us reach this milestone. Our high school life has come to an end, but it doesn't mean we are done. We still have a lot to accomplish. As we are about to embark on our college career and experience the real world, I just want to advise this class to not allow anyone to distort the potential, talent, and skills they obtained. Only you can place limits on yourself; be grateful and remember that everything happens for a reason. Remember to stay focused because you can achieve anything in this world if you put your mind to it. Giving up is not an option; be ready to get hit by reality because that's what life is about. It's not easy, but the journey is what matters. Remember hardships do not break a person, but make him or her stronger. I want you all to know that I really love and care about each and everyone of you. I want you all to remember that with God, all things are possible, so let's take the world by storm and demonstrate how courageous, intelligent, and bright we are. Stay blessed!
